

## Home Deliveries

## Secure Courier

Consumers are cash rich and time poor and purchasing more and more products and services online. The challenge is to provide a logistical infrastructure to deliver the product at a place and time, 7 days a week, that suit your customer.

echo's Home Delivery service offers a range of solutions to help you meet your customers expectations, from collections and deliveries to a fully managed booking service.

Our extensive fleet of vehicles ensures we have the right size and type of vehicle for your delivery including small vans, Transit, long wheel base (LWB), chilled and 7.5 Ton.

We also provide bespoke solutions including outsourced warehousing, dedicated vehicle runs and dedicated management and courier staff on site.
